Summer Internship Programme under SSR-SERB

Advertisement no: SMSE/NS/Summer Internship/SSR/CRG/2022-1

Applications are invited for Summer Internship position under SSR Scheme of SERB project.

Principal Investigator: Dr. N. Sandhyarani

Project Title: 'Rational Design and Development of Non-Precious Mixed Transition Metal Oxides for Oxygen Reduction Reaction' funded by SERB, Government of India, INDIA.

Post: One (1 nos) Summer Internship

Internship Duration: 2 Months (8 weeks)

Fellowship: 5000/- per month

The progress of the intern will be assessed after each month by the appropriate committee following SERB project guidelines. If the progress is not satisfactory the internship is liable to be terminated.

Essential Qualification:

- The students in the final year of their M.Sc. (Chemistry/Physics) are encouraged to apply. Prior experience in research is preferable.
- A minimum of 60% marks at the preceding degree/course.

Shortlisted candidates may have to appear for an interview before the selection committee

How to apply:

Interested candidates can apply by sending an application to the Principal Investigator via email at sandhya@nitc.ac.in on or before 4th May, 2022, 5 P.M. Incomplete application will be rejected.

The application should include:

- (i) A cover letter (including research interests)
- (ii) A statement of Purpose
- (iii) CV along with copies of all relevant testimonials
- (iii) A scanned copy of photo ID (proof for the name given in CV).
- (iv) Application should be forwarded/endorsed by the head of the department where the candidate is currently studying.
