C

Accommodation for make up examination:

Those who want accommodation in order to write make-up examinations may submit their applications in the **prescribed format** duly recommended by their FAs and/or HoDs on or before 28.04.2017 to the Hostel Manager. All such students shall vacate this accommodation immediately after the make up examination is over.

Allotment of rooms in the next semester

Rooms will be allotted based on the availability during the semester opening as many works for maintenance are proposed to be taken up. Applications for room allotment will be considered only if the student has no hostel and mess dues, and submits an undertaking in the prescribed format duly signed by the parent and the student, and the final registration form approved by the Academic Section. The tentative allotment policy is as follows; however, this may change based on the actual situation at the time of reopening.

Present 1st years will be accommodated in **two seated rooms in Mega Boys Hostel and four seater rooms in C Hostel**. They may form **groups of four and submit their preferences in the prescribed format** to the Steward/ Caretaker of the respective hostels (present) **on or before 5.00PM on 28th April 2017**.

Present 2nd years will be accommodated in **four seated rooms in B/single room in PG-II Hostel (purely tentative, if space is not available it will be two seated)**. They may form **groups of four and submit their preferences in the prescribed format** to the Steward/ Caretaker of the respective hostels (present) **on or before 5.00PM on 28th April 2017**.

All allotments will be done by random number generation or through lots and will be published in the hostel website towards the end of the vacation period and before reopening. A decision regarding room allotment to B Tech students who were admitted prior to 2013 and B Arch students admitted prior to 2012 will be announced later. However, they may submit a request for accommodation in the **prescribed format** duly recommended by the FA and HoD.

It is once again informed that stay of a person who has not registered for any course work in the NITC Hostels is illegal and institute level disciplinary action will be recommended if such cases are detected.
