Dear Kasthurba,

It is my pleasure to inform you that you have been officially invited as a recipient of a 2016 SAH International Travel Grant to attend the Society's 2016 Annual International Conference in Pasadena / Los Angeles, April 6-10, 2016. This award, generously funded by the Getty Foundation, will allow recipients to participate in the conference and build upon their professional network. This is the second year SAH has been able to offer this fellowship. You were selected from 70 applicants from 37 countries. Congratulations!

Founded in 1940, the Society of Architectural Historians is a nonprofit membership organization that promotes the study, interpretation and conservation of architecture, design, landscapes and urbanism worldwide. SAH serves a network of local, national and international institutions and individuals who, by vocation or avocation, focus on the built environment and its role in shaping contemporary life. SAH promotes meaningful public engagement with the history of the built environment through advocacy efforts, print and online publications, and local, national and international programs.

The grant will cover your travel expenses to/from the conference, hotel accommodations during the conference, SAH electronic membership, as well as basic conference registration with select activities. Please see the **Terms and Conditions 2016 SAH International Travel Grant** and **SAH International Travel Grant Awardees Itinerary** for a listing of expenses and activities that are covered by this grant. The Terms and Conditions outline some important deadlines and reporting requirements connected with receiving the SAH International Travel Grant.

If you have any questions, please do not hesitate to contact Chris Higgins, Program Coordinator chiggins@sah.org. Thank you, and congratulations for the recognition of your scholarly achievements. I look forward to meeting you in California in the spring.

Sincerely,

Pauline Saliga
Executive Director
