NOTICE

Date: August 2, 2018

Sub: **Internal Sliding – M.Tech./M.Plan. Programme Admissions 2018**

NIT Calicut is planning to conduct an Institute Spot Round (ISR) of Admissions to fill the vacancies available due to the withdrawal of candidates. Before the ISR, it is decided to conduct another Internal Sliding for the admitted students. Students admitted to any M. Tech. programme under CCMT2018 irrespective of the option they had given at the time of choice filling, can participate in the internal sliding by giving fresh choices.

All interested students who would like **to participate in this Internal Sliding** are requested to register their preferences using the link given below.

<http://dss.nitc.ac.in/UGAdmission/Sliding.aspx>

A student will be able to register their preferences only ONCE.

After the submission of online application, a signed print-out should be submitted to Bhaskara Hall (PG Admission Office) **before 5pm on 6th August 2018 (Monday).**

Once a student is assigned a programme after internal sliding as per his/her choice he/she loses all right to the seat to which the student has been admitted.

The students can provide their order of preferences among the M.Tech programmes for which they were eligible to apply based on their qualifying degree and GATE discipline (Refer CCMT2018 for information).

The allotment will be strictly based on the GATE score and category to which the student belongs. Allotment will be made for all the vacant seats as on August 6, 2018. In case there is no up-gradation the student will retain the current seat.

Students who withdraw their seat **after August 6, 2018 on completion of Internal Sliding**, will not be entitled for fee refund as the Institute will not be able to fill that seat through Institute Spot Round.

The seats remaining vacant after internal sliding will be offered for the Institute Spot Round which is scheduled on August 10, 2018.

Students who are admitted to any Institute including NIT Calicut under CCMT2018 will be permitted to participate in the Institute Spot Round at NIT Calicut only if they withdraw their current seat.
