

NIT Calicut signed MoU with JMR Infotech India Pvt.Ltd, Bangalore

National Institute of Technology Calicut (NIT Calicut) and JMR Infotech India Pvt.Ltd, signed an MoU on 3rd August 2018 at 3.30 pm in the Admin. Conference Hall.

The MoU has been signed for 3 years with effect from August 3rd 2018. The activities planned under the MoU are open to all the students and faculty members of NIT Calicut.

In the first year, it has been planned to conduct a Hackathon event and “Innofest” - a 4 week interactive JMR guided program, where NITC students can submit innovative solutions on a specific problem or set of problems predefined by JMR. Internships, Semester break Jobs for NITC students and Crowd Sourcing Projects are the activities scheduled during the second year. Crowd Sourcing opportunity gives NITC students an exposure to real time business problems. During the third year, JMR intends to set up and maintain a world class Next Generation Innovation laboratory for the students and faculty of NIT Calicut and plans to establish JMR Research Fellowships to actively collaborate in research projects that are mutually beneficial.

The MoU was signed by Prof. Sivaji Chakravorti, Director NIT Calicut and Mr. Jayafar Moidu, Chief Executive Officer, JMR Infotech. Mr. Vijay Raina, Chief Operating Officer, JMR Infotech and Mr. Manjunath P Saisidharan, Director Key Accounts, JMR Infotech were also present. From NITC, all Deans, HoD CSED, Dr. S.D Madhu Kumar (Prof. CSED) and Dr.. Anu Mary Chacko (Asst. Prof CSED) were present.

The activities for the collaboration will be initiated immediately from the monsoon semester 2018-19.
