Dear Parents,

We are sure that all of you are aware of the unfortunate accident resulting in the tragic death of one of our students Mr. Mannem Venkateswaralu, on 15.02.14 and the subsequent agitation by the students which led to the closure of the Institute. We would like to inform you that the Institute administration had many rounds of discussions with the students and when all such discussions failed, on advice of the police, the Institute administration was forced to close the Institute indefinitely. It may kindly be noted that the Institute could avoid any unfortunate incidents resulting from the application of police force for disbursing the agitating mob. The PTA Executive Committee is meeting today (at 3.30 pm) to discuss all these issues. We will keep you updated through our postings on this website (<http://www.nitc.ac.in/crecpta/>). Kindly seeking all your cooperation and support for the earliest reopening of the Institute. If you have any queries in this regard, please mail to [crecpta@gmail.com](mailto:crecpta@gmail.com).

Thanking you,

Dr.S.D.Madhukumar

Secretary PTA
